Subject: RE: EU-ToxRisk - Scientific Advisory Board members - kick off meeting 13-15 January 2015

### Dear Bob

I have agreement from my management to take part in this kick-off meeting. I am highly interested to see the impact of this project, and to contribute from a regulatory point of view. The date of Friday 15 is in my calendar, and have made a block also for the preceding days.

## Greetings

Jan Willem van der Laan

Onderwerp: EU-ToxRisk - Scientific Advisory Board members - kick off meeting 13-15 January 2015

Dear scientific advisory board members, Dear Derek, Rusty, Thomas, Jan Willem, Weida, Joop, Michael, Henrik, Tuula,

You all have agreed to have an active role in the Scientific Advisory Board of the EU-ToxRisk. We highly appreciate that our project can make advantage of your knowledge and that you want to apply your background expertise to improve the EU-ToxRisk project in the years to come, thus maximizing the ultimate outcome of the project.

EU-ToxRisk will have its kick-off meeting 13-15 January in Egmond aan Zee, The Netherlands. Transportation from the airport to Egmond aan Zee will be arranged. Travel costs will also be reimbursed. We would appreciate if you as soon as possible can let us know whether you can participate in this meeting. Hopefully you can take part and together set the stage for the coming six years.

We will start 13 January at 9.00; on 15 January in the early afternoon we have planned a meeting between the Advisory Board and the project Steering Team. A detailed agenda of the meeting will be distributed after the Steering Team meeting beginning November.

We look forward to hear from you and welcome you at the kick-off meeting.

Best wishes,

## prof.dr. Bob van de Water
